

AXELL BESSAC

CF4 A SAINT QUENTIN

Mon package: HB racing/6MIK/Ultimate et Sigma fuel.

Après le premier tour de piste à pied, je comprends que ça va être compliqué.

Les orages ont bien abimé la piste et malgré la préparation du club, il y a déjà de la poussière et des trous.

Au classement de la première manche je suis 17^{ème}, ce qui n'est pas si mal.

Sur la seconde manche je fais une moins bonne performance et je suis 24^{ème}.

Pour la troisième je termine 27^{ème}.

Après les qualifications je suis en quart A. Ca se passe plutôt bien au début tout comme pour Jean-Marc Lacheze qui était second et moi premier.

Une mauvaise sortie des stands nous retarde beaucoup tous les deux. Ensuite, alors remonté 3^{ème}, la voiture s'envole pour finir coincée à la verticale dans le grillage et je cale.

Pour la première fois de la saison je ne ferais pas une demi-finale, dommage car j' avais largement la vitesse pour y aller. Mon meilleur tour du week-end se fait dans les 3 derniers tours. Un peu déçu quand même mais on fera mieux la prochaine fois.

Merci le club et mes sponsors.

Je remercie tout particulièrement la FFVRC et la Junior Team.
